

ACTA ENTOMOLOGICA MUSEI NATIONALIS PRAGAE

2023 ■ Volume 63 ■ Number 1

EDITORIAL

KMENT P.: Centenary of the journal *Acta Entomologica Musei Nationalis Pragae*. i–ii

ORTHOPTERA

KASALO N., YONG SH., REBRINA F. & SKEJO J.: Definition of the tribe *Metrodorini* (Orthoptera: Tetrigidae) with notes on biogeography and evolution of *Metrodorinae* and *Cladonotinae*. 187–193

HEMIPTERA

YASUNAGA T., SCHWARTZ M. D. & CHÉROT F.: Revision of the plant bug genus *Diognetus*, with descriptions of thirteen new species from the Oriental and Eastern Palearctic Regions (Hemiptera: Heteroptera: Miridae). 1–55

COLEOPTERA

HÁJEK J., ŠTASTNÝ J., HENDRICH L. & BALKE M.: A review of the genus *Platynectes* from the Solomon Islands (Coleoptera: Dytiscidae: Agabinae). 57–74

JIANG ZH.-Y., ZHAO SH., MAI Z.-Q., JIA F.-L. & HENDRICH L.: Review of the genus *Cybister* in China, with description of a new species from Guangdong (Coleoptera: Dytiscidae). 75–102

TOLEDO M., BILTON D. T., BALKE M., SCHIZZEROTTO A. & VILLASTRIGO A.: A new, putatively semisubterranean, *Rhithrodytes* diving beetle from southwestern Sardinia (Coleoptera: Dytiscidae). 125–133

BILTON D. T.: New species and new records of minute moss beetles from East Africa (Coleoptera: Hydraenidae). 103–110

ZHANG W.-X. & YIN Z.-W.: *Feabatrus* gen. nov., a conspicuous new genus of Batrisitae from Myanmar and China (Coleoptera: Staphylinidae: Pselaphinae). 165–175

SATO Y. & MARUYAMA M.: Taxonomy of the *Lathrobium nomurai* group (Coleoptera: Staphylinidae) from Northern Kyushu, Japan, with descriptions of two new species. 111–124

HERNANDO C.: Two new micropterous species of the genus *Sunius* from Andalusia (Spain) (Coleoptera: Staphylinidae: Paederinae). 207–212

CHANG L.-X. & REN G.-D.: New and little-known species of the genus *Cyclotoma* from China (Coleoptera: Endomychidae). 177–185

DIPTERA

TACHI T. & SHIMA H.: Systematic study of the subgenus *Aphantorhaphopsis* of the genus *Siphona* in East Asia and the Oriental Region (Diptera: Tachinidae). 213–247

LEPIDOPTERA

BIDZILYA O., KARSHOLT O. & ŠUMPICH J.: A revision of the genus *Ivanauskiella* (Lepidoptera: Gelechiidae). 135–164

HYMENOPTERA

SELIS M.: Revision of the genus *Allorhynchium* in the Philippine Islands (Hymenoptera: Vespidae: Eumeninae). 195–205
